

## API BURSARY APPLICATION PREPARATION 2022

### What do I put in my application?

1. Information about you, your background etc.
2. Responses to our 4 questions:
  - a. Why have you applied for this bursary?
  - b. What Special Qualities do you possess?
  - c. What is your understanding of The Australian Energy Industry and what technical areas interest you most?
  - d. What excites you about a career in the power sector?
3. Check that your CV/Resume is updated and ready for upload.
4. Make a 1-minute video (introducing yourself and telling us why you think you should be an API Bursary Holder) and upload to Youtube (optional).
