

EXECUTIVE INSIGHTS FEB-MAY 2025

Explore the power sector's strategic challenges and opportunities, and the methods, mindset and skills needed for taking action.

> WHAT YOU GET

> ABOUT EXECUTIVE INSIGHTS

Participate in ten online-only modules with optional extra support for early career professionals to embed the insights from our executives and emerging leaders into their own career and learning & development plans.

> LEARN FROM 60+ EXPERTS

Arrive a professional, emerge a leader

- Attend online sessions with 10+ power sector CEOs and executives;
- Watch the live Strategic Project Presentations online at the Summer School as 50 delegates share solutions to key industry challenges, tasked by sector leaders;
- Build your knowledge on key issues in the sector and how you can be a part of the solution moving forward; and
- Develop an invaluable nation-wide network of experts, executives, leaders & your fellow peers in the power sector.

Hear about key challenges the industry is facing from power sector leaders over ten 30 minute online sessions

Gain insights from 40+ current & emerging mid-career leaders for your personal career development

Online access to the Executive Insights program **plus 10 free Board Reports** by mid-career leaders on industry challenges

Complimentary registrations for API members & Summer School Alumni **PLUS more discounts for PhD candidates**

Live sessions via Zoom and **FREE recorded sessions** via API's Online Academy
